Fun game. Got stuck on a lot of blocks, that was tilting. But for \$.99 I had a fun time, took me about 15 min to beat it, had some challenges in it. Not the best game but I had enough fun that for a dollar I would recommend it. Good job Kev Jackson. Please message me and tell me what the freaking flowers do!!! I need to know!!!. After 24hrs I started hating this game.. I love this game. It has a good story, It's fun to play, and its got some nice music.
